

ECONOMY LINE BINDERS

FOR TABULATING AND MARGINAL PUNCH FORMS

Now — Low cost binders to meet the needs and demands of high volume users found in the Data Processing field. These binders have the same advantages and benefits that are found in more expensive products. Designed to house active, semi-active and inactive marginal punched sheets and tabulating reports, either unburst or burst.

Rugged enough to meet standard requirements, but so inexpensive they can be disposed of when records are destroyed, saving time and labor.

Specifications: Capacity 6". Top and bottom manufactured from dappled-white 3/16-inch thick corrugated Fibre-Cor board. Each binder comes complete with 2 six-inch capacity plastic posts, tapered at the tip. Bulk packed, 25 binders knocked down flat in shipping carton.

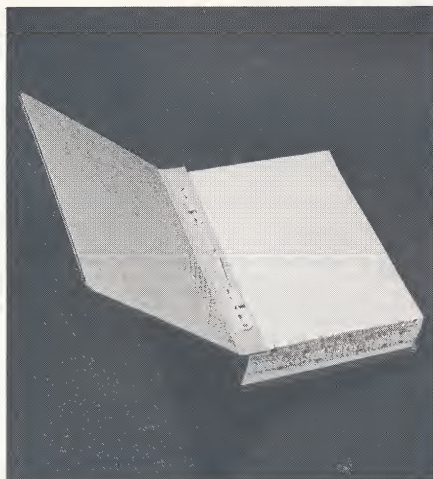

Flexible threaded posts screw in easily. To add or remove sheets, simply slip over 1/8-inch tapered-tip plastic posts.

Snap posts securely into "Hideaway" aluminum fastening clips. Easy to lock, easy to unlock. Clip permanently riveted to top cover.

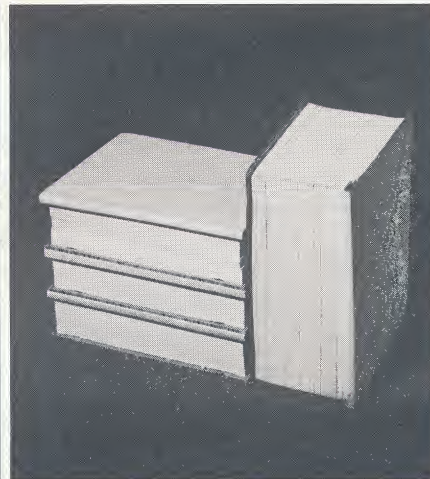

For Unburst reports — 10 sizes. Capacity six inches.

For Burst reports — 8 sizes. Capacity six inches.

Burst and Unburst binders. No hidden margins, no lost entries. Pages lie flat when in use.

Binders stack or rack as there are no protruding posts or locks.
